GOODBYE "T"!

We will all miss you Coach Vincent "T" Turner.

In his several years as a b-ball coach at Southeast, Vincent Turner has taught these and many other young men valuable lessons to be used on and off the court. These lessons include the elements of successful b-ball practice, hard work, ability, and determination. Although his last season at Southeast was not extremely successful, Coach Turner will leave our school knowing he made a lasting impression on most of the boys he coached. He taught them to keep their dignity and pride through the toughest games. We will all miss "T" very much and wish him the best of luck.
